REGAL SERIES

REGAL SERIES

Designed for easy installation and Modern life the Regal series provides one of the most comprehensive ranges of beautifully crafted, sleek, sophisticated fittings on the market. We have now taken this minimal design approach one step further. The stunning result is the Regal Screwless Flat Plate series. More choice, more style, and packed with innovative technical features for your life. Never has less meant more.

Feature & benefits

- ◆ Comprehensive range from dimmer switches to data communication and all control applications
- ◆ Slimline, compact neons for a subtle effect
- ◆ Switches are fully rated at 10AX for fluorescent and inductive loads
- ◆ Curved, matching metal capped rockers that are aesthetically pleasing and easy to operate with a choice of white or black interior
- ◆ USB sockets and Fused connections are available
